The application has been amended as follows:

In claim 12, line 1, "An antenna mounting printed-circuit board" is changed to --

Allowable Subject Matter

4. Claims 8-12 are allowed (Claims 1-7 are canceled by Applicant).
5. The following is an examiner's statement of reasons for allowance:

rectangular horizontal cross section; and the antenna element is mounted on a substantially central position of an arbitrarily selected side of the antenna mounting printed-circuit board. It is these limitations found in each of the claims, as they are claimed in the combination, that has not been found, taught or suggested by the prior art of record which makes these claims allowable over the prior art.
